| Supply and delivery of specialized training benches for aeronautical maintenance training at the Cana Air Base in Benin |
|---|

N° EPF-2024-54_AO3

PROJECT DESCRIPTION

1. Description of the contract

DCI, an implementing actor of the European Union, has been designated by the EU Council (Council Decision 2024/1980) to implement an assistance measure for the benefit of the Benin Air Force under the European Peace Facility.

Within this framework, the purpose of this contract is the **supply and delivery of specialized training benches for aeronautical maintenance training at the Cana Air Base in Benin.**

2. Number and titles of the lots

The contract consists of **three (3) lots**:

- **Lot 1: Supply of a specialized engine training bench;**
- **Lot 2: Supply of a specialized hydraulic system training bench;**
- **Lot 3: Supply of two specialized training benches (1 avionics bench and 1 electrical systems bench).**

CONDITIONS OF PARTICIPATION

3. Eligibility and origin rules

The following entities cannot participate in the tendering process or be awarded the contract:

- a. Entities in bankruptcy, liquidation, judicial settlement, cessation of activities, or any analogous situation resulting from similar procedures in national laws and regulations;
- b. Entities subject to bankruptcy, liquidation, judicial settlement, or any other similar procedure existing in national laws and regulations;
- c. Entities convicted by a final judgment (i.e., with no further possibility of appeal) for any crime affecting their professional integrity;
- d. Entities that have committed serious professional misconduct;

- e. Entities that have not fulfilled their obligations regarding social security contributions according to the legal provisions of their country of establishment;
- f. Entities that have not fulfilled their obligations regarding the payment of taxes and duties according to the legal provisions of their country of establishment;
- g. Entities found guilty of providing false declarations when submitting the required information for participation in a DCI contract;
- h. Shell companies created to conceal financial transactions and/or launder money from one or more other companies;
- i. Entities that have been found in serious breach of execution under another contract concluded with DCI due to failure to meet contractual obligations;
- j. Entities found guilty by final judgment of any of the following offenses:
 - i. Fraud, as defined in Article 3 of Directive (EU) 2017/1371;
 - ii. Corruption, as defined in Article 4, Paragraph 2 of Directive (EU) 2017/1371;
 - iii. Criminal organization activities as per Article 2 of Council Framework Decision 2008/841/JHA;
 - iv. Money laundering or terrorism financing under Article 1, Paragraphs 3, 4, and 5 of Directive (EU) 2015/849;
 - v. Terrorist offenses or related activities as defined in Articles 1 and 3 of Council Framework Decision 2002/475/JHA;
 - vi. Child labor or human trafficking as per Article 2 of Directive 2011/36/EU.
- k. Entities that have been definitively convicted of one of the offenses listed in Articles 222-34 to 222-40, 225-4-1, 225-4-7, 313-1, 313-3, 314-1, 324-1, 324-5, 324-6, 421-1 to 421-2-4, 421-5, 432-10, 432-11, 432-12 to 432-16, 433-1, 433-2, 434-9, 434-9-1, 435-3, 435-4, 435-9, 435-10, 441-1 to 441-7, 441-9, 445-1 to 445-2-1, or 450-1 of the Penal Code, or Articles 1741 to 1743, 1746, or 1747 of the General Tax Code, or for the concealment of such offenses, as well as equivalent offenses under the laws of another EU Member State. A final conviction for one of these offenses or for concealing one of these offenses by a member of the management, administrative, executive, or supervisory body, or a person holding the power of representation, decision, or control of a legal entity, results in the exclusion of that legal entity from the procurement procedure as long as the individual holds these functions.
- l. Entities that have not submitted the required tax or social declarations or have not paid due taxes, duties, contributions, or social security contributions in the concerned country.
- m. Entities sanctioned for violating obligations under Articles L. 8221-1, L. 8221-3, L. 8221-5, L. 8231-1, L. 8241-1, L. 8251-1, and L. 8251-2 of the Labor Code, or convicted under Article L. 1146-1 of the same code or Article 225-1 of the Penal Code.

Point (a) does not apply in cases of purchasing supplies at particularly advantageous conditions, either from a supplier ceasing its commercial activities or through liquidators in an insolvency procedure, under judicial settlement, or similar legal procedures in national law.

DCI excludes companies where key persons (administrators, directors, controllers, or representatives) are in any of the above-listed situations:

- When a person who is a member of the administrative, managerial, or supervisory body of the entity, or who has powers of representation, decision, or control over that entity, is in one of the situations listed in points (c) to (i).
- When a person who is indefinitely liable for the debts of the entity is in one of the situations listed in points (a) or (b).
- When a person essential for awarding or executing the legal commitment is in one of the situations listed in points (c) to (i).

Tenderers must sign a declaration of honor affirming they are not in any of the aforementioned categories.

Entities based in countries under European Union sanctions are also excluded from participation.

4. Admissibility conditions

To be considered valid, bids must be completed as requested in the consultation regulations.

5. Possibility of subcontracting

Subcontracting is permitted, provided each subcontractor is approved by DCI as detailed in the consultation regulations.

6. Validity of bids

Bids must remain valid for a period of **one hundred twenty (120) days** from the submission deadline.

7. Estimated contract start date

Estimated start of execution: **August 2025**.

8. Implementation period

The contract will be implemented upon notification and will conclude **no later than:**

- **Lot 1: Delivery and commissioning of the specialized bench targeted for December 31, 2025, with associated services due by November 30, 2026.**
- **Lot 2: Delivery and commissioning of the specialized bench targeted for December 31, 2025, with associated services due by November 30, 2026.**
- **Lot 3: Delivery and commissioning of the specialized benches targeted for December 31, 2025, with associated services due by November 30, 2026.**

SELECTION AND AWARD CRITERIA

9. Selection criteria

Candidates will be selected based on their professional, technical, and financial capacities **to execute the supply and delivery of specialized training benches for aeronautical maintenance training at the Cana Air Base in Benin.**

10. Award criteria

The award criteria are detailed in the consultation regulations.

Once DCI has selected the best bid, it will notify the bidders of the result:

- The runner-up bidder will be designated as a backup in case the selected bidder withdraws or fails to finalize the contract;
- Non-selected bidders will be notified of their rejection.

SUBMITTING A BID

11. How to obtain the tender documentation?

The contractor must send a signed confidentiality agreement to the following email address: service.achats@groupepci.com.

Access to the consultation documentation is subject to the receipt of this signed confidentiality agreement.

The tender documentation will be accessible **from June 23, 2025**, via an online tool once the confidentiality agreement is received by DCI. Any questions regarding the tender must be submitted via the online platform **no later than July 07, 2025 at 12:00 PM**. DCI will respond **by July 10, 2025**.

DCI may modify the schedule if necessary and will notify candidates via the online platform.

12 Bid submission deadline

The deadline for bid submission is **July 15, 2025, at 12:00 PM (Paris time)**.

Any bid received after this deadline will not be considered.
